No A6 C 3222/42-43 of 23-2-43 requests for reasons explained, sanction to the proposal for entrusting the work of collection of all taxes in the Koratagere minor mfy to one Ranga swamy Gowda, Patel of Koratagere, on commission basis

1. The proposal to entrust the collection work in Koratagere minor mfy:- to the Patel of Koratagere is made on the reason that the existing system of Collections thro the Bill Collr has not worked satisfactorily as no one seeks to stick on to this post since the pay is not very encouraging what the demand on the mfy is and what commission is proposed to be given to the Patel are not stated in the DCs letter It wd have given an idea as to whether the change would work economically also, as otherwise the question of improving the pay of the bill collector so as to make it more attractive may perhaps be considered

25/2 It is stated that the Bill Collectors post has been vacant & that it cannot be filled on a/c of the low pay given However to mention to merely the post has only advertised by Applications called for & that this will be reported to Govt when done & also the result

From the Deputy Commissioner, Junkur Dubri-
Letter No. AB-6, 12405/43 dt. 12 3 44,

Furnishes the required particulars and states that the Municipal Council Korlagere Minor Municipality have resolved that the collection of Municipal Taxes be entrusted to the patel on Commission basis and recommends that this system be tried for a period of five years in the first instance

10. It seems from the Deputy Commissioners report that the arrangement of collecting the Municipal taxes on a commission basis, (costing about Rs 100- per annum) would be cheaper than the employment of a B U collector on Rs 10-1 12 + 5 D As, which costs Rs 180- per annum and that better control could be exercised over the patels work

11 The D. has reported that the post of the — B U Collector was never advertised

12 The DCs recommendation to continue the present arrangement of entrusting the collection work to the patel, on a commission basis for a period of five years in the first instance, (instead of on a permanent basis as resolved by the Municipal Council) is for orders

13 The Secretary does report that collection of Municipal taxes through the agency of the patels found to be cheaper than that the employment of a B U collector hence the proposal of the Municipality to continue

Re Entrusting the collection of Municipal taxes of Koratagere Minor Municipality, to the patel on commission basis

Sir,

In forwarding herewith, in original, the connected records received from the Sub Division Officer, Madhugiri Sub Division, on the above subject, I have the honor to state as follows -

As it was recommended by the Sub Division Officer, in the first instance on the report of the President, Minor Municipal Council, that the question of entrusting this work to the patel was not feasible, it was ordered that the present arrangement may continue The Sub-Division Officer now states, that the President has again urged that Range Gowda, patel of Koratagere, may be entrusted with the work of collection of Municipal taxes on commission basis, as the bill collector's place is vacant for a long time and that the pay of the post, viz Rs 10/- per mensem, is not very attractive or sufficient enough to induce any one to continue as Bill Collector for a long time The collection of Municipal taxes has not progressed well since two months as the post is still vacant and cannot be filled up as the pay is too low It is an admitted fact that no outsider would stick on to this post, since the pay is not very encouraging

As Koratagere is a minor Municipality and as the demand is not large, the Sub Division Officer is of opinion that the collection of Municipal taxes be entrusted to the patel, on commission basis, as is being done in some Municipalities I agree with the opinion of the Sub-Division Officer, as the patel is young and energetic and can be expected to do better collection work

Sir,

Re Collection of Municipal taxes on commission basis in Koratagere Minor Municipality

---

With reference to your letter No L 9113/M 4-42-72 dated 9/3/43 on the above subject, I have the honour to forward in original the connected records received from the President Minor Municipal Council Koratagere and to state as follows -

The annual demand under mohatarfa taxes amounts to Rs 1900/- and the commission proposed to be given to the patel is at 5% and the highest commission to be paid would be about Rs 100/- The pay of the Bill Collector of this minor municipality is fixed at Rs 10-1-12 If dearness allowance at Rs 5/- p m is allowed it would work upto Rs 180/- (pay Rs 120/- plus Rs 60/- D A)

It is seen from the connected records the post of a bill collector was never advertised From the above particulars it will be seen that the collection on

commission basis would be cheaper the commissions being paid also on the collections made Besides better control can be exercised over the patels' work

The Municipal Council who were advised to re- C consider their former proposal viz re appointment of a bill collector have now resolved at their meeting held on 17/1/1944 that the collection of municipal taxes be entrusted to the patel, on commission basis as a permanent measure I suggest that this system may be tried for a period of five years in the first instanc
